## Bentons Square

Crn. Bentons & Dunns Rd, Mornington

### Now Open...

The new dining room at the **FLINDERS HOTEL** (right) will build on the success of their bistro/brasserie. A more refined dining area, think regional, think small local producers, think ingredients.

The new **BALCOMBE RESTAURANT** at the old church in Barkly Street, Mornington. For lunch, dinner, casual drinks or grand functions, open Tuesday - Sunday for lunch and dinner.

**For Dining and Entertainment turn to pages 40-57**

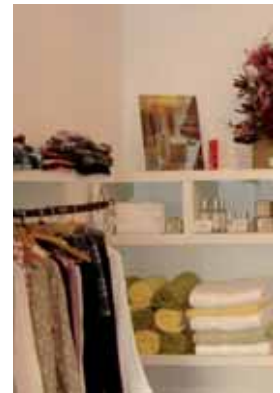

### New to the Peninsula...

In the cottage beside La Petanque Restaurant, Philippe's Australian wife Judy, is opening **'LA PETANQUE LIVING'**, selling furniture, homewares, gifts, jewellery and skin care with a South of France feel.

So you can now dine at the restaurant, have a casual game of Pétanque and peruse the boutique while you are there. All this adding up to a very enjoyable day out. See Page 61 for details

• **ZAN BACI**, the unique boutique for the bedroom in Mt Eliza. Stocking Australian designed manchester, Deshabille sleep & lounge wear, locally hand crafted jewellery and much more. (pictured right)

• **THE FITNESS STATION**, We all know the benefits of staying fit & healthy. With ever increasing obesity rates, high blood pressure, diabetes and cholesterol issues continuing to surface, it is more important than ever to look after ourselves. Our busy lifestyles contribute to a lack of time in which to focus on our own wellbeing. See Page 37 for more.
