## A Great Choice at Beretta's

**Beretta's Langwarrin Hotel has had a complete refurbishment; you wouldn't recognise anything, new Bistro, alfresco, Sportsbar, Tabaret, bottleshop and a great playground for the kids.**

Entrees include Oysters fresh from Tasmania, Kilpatrick, natural, Thai and even bloody mary oyster shooters. Italian sausage is a favourite for me and Saganaki.

The menu consists of old favourites, chicken Schnitzel, Veal or Chicken Parma available as traditional, Hawaiian, Mexican, Bolognese or avocado just to name a few.

From the Char Grill, American pork ribs, eye fillet mignon and porterhouse peppered steak.

Choose from tasty Risotto and Pasta dishes or you may prefer straight from the wok, as I said, something for everyone.

A great choice of Pizza's is also available on the menu with everyone's favourite toppings

Mains include Tasmanian Salmon fillet, whole New Zealand Flounder Fish and Chips Seafood Basket, and for those meat lovers Beretta's have much to choose from, including Rack of Lamb, Kangaroo Loin, Pork Cutlet, Roast Duck and Beef Vindaloo along with a delicious dessert menu.

There is also a special menu just for the kids. It is a must to visit, you won't be disappointed.
