

Stillwater Wins Bridal Best Restaurant Reception

Stillwater at Crittenden was honored at the 9th Australian Bridal Industry Awards of Victoria held in Melbourne in May.

The Chairman of the ABIA, Mr John O' Meara congratulated Stillwater at Crittenden on the achievement as Winner in the restaurant reception category.

Mr O' Meara said that Stillwater at Crittenden should be extremely proud of the achievement especially when one considers that 1,185 wedding suppliers were nominated for the 2007 Victorian ABIA Awards. Mr O' Meara went on to say that it was business like Stillwater at Crittenden which complimented and elevated the wedding industry with their attention to detail and the pride, passion and professional manner in which they delivered their wedding product to the customer.

The Abia's are a much sought-after Award for Australian wedding suppliers as they are determined by the votes of past brides. Each year the ABIA distributes over 60,000 nomination forms through their Accredited Members, who in turn send them to their past bridal customers enabling them to cast their votes for their most outstanding wedding suppliers.

Stillwater at Crittenden were nominated for an ABIA based on the quality of product, quality of service, value for money and the attitude of the staff who serviced the brides needs, before, during and after their wedding day.
