

You Can Train Your Dog! Any Dog

Some people think their dog is "stupid" or "won't listen" or their particular breed can't or won't do certain things? Some people are skeptical about the progress their dog will make in class. We've heard it all - Malamutes can't be trained,

Terriers run away, Beagles just sniff the ground and small dogs don't need training!

At Paw Behaviour® Dog Training it is incredibly rewarding to see owners proud of what they achieve throughout an 8 week course and thrilled at their dog's progress, often saying things like "Wow, I didn't think he could do that". They go home and show their family and friends just how smart their dog is. Or they come to class brimming over with excitement to show how their dog will stay, do a nice recall or has learnt a new trick.

We work with you to set realistic goals - your goals - and we help you achieve them. What matters to you is important - loose lead walking, no jumping, a dog that will come back to you. Each client and their dog are a unique combination, with different needs, goals and desires. Paw Behaviour® Dog Training classes help each individual client and their dog achieve their goals.

Bead Therapy with Funky Lula's

For passing those long, cold winter days, you can't go past Funky Lula's for a good dose of bead therapy!

You are guaranteed to find a warm, welcoming shop where you can sit down with a BYO coffee and a friend, borrow some tools, and create your own jewellery pieces on the spot. If you need assistance with a bit of technique, there is a fantastic range of classes available, which are taught several times a week, catering to both beginners and more advanced beading enthusiasts.

Funky Lula's have just received some exciting new beads from America. For those Pandora lovers, you will find that these stunning (and inexpensive) sterling silver core beads will beautifully compliment your existing jewellery.

There is also an excellent range of unique, handmade tiaras and jewellery items available for debs and brides, and all very reasonably priced. If you don't find what you want, the Funky girls will make it for you!

Funky Lula's Beads is located behind Beaches Restaurant at Shop 5, 55 Barkly Street in Mornington. Shop hours are 10 am to 5 pm Mon to Fri, 10 am to 4 pm Sat.

Jennifer Wilcox is a qualified and experienced behavioural dog trainer. She holds a Delta Society Australia Certificate IV in Behavioural Dog Training - the only accredited Certificate IV level pet dog training course in Australia.
