

Buon Appetito at One One Five

For a complete cafe' experience in Mornington you can't go past Café One One Five.

An eclectic and quirky interior feasts the eye while your hunger pangs are satisfied by one of the many favoured Italian dishes; from pasta and calamari to bruschettas and focaccia.

One One Five is not only famous for it's great coffee but also for the great lengths they go to please customers. Their growing list of specialty functions include an Italian night, where, on the first Friday of every month, you will visit a new region of Italy & feast on a four course meal that showcases the most authentic dishes from the area.

Of course, parties for all and any occasions, corporate breakfasts, Christmas gatherings & weddings are celebrated throughout the year in One One Five style and they have recently added Corporate "Cook-Offs" to their repertoire in an effort to satisfy the demand for yet more functions to be handled with their renowned flexibility, fun and own quirky flair.

Café One One Five's friendly doors are open for breakfast and lunch seven days a week and the much sought after "breakfast all day" is permanently on offer to hungry customers within the quote filled walls of this "Brunswick Street-esque" cafe. Buon Appetito! (as they say).
