

The Sober Mule Cafe

The Sober Mule Cafe has been open for 18 months and in that time Antonio and Natasha have created a thriving business.

Open 7 days for breakfast and lunch, it has built its handsome reputation on honest and good quality homemade fare.

Enhancing this reputation has been the recent appointment of Steve Davidson, winner of 3 consecutive Age Good Food Guide chef hats. Formerly of the Vines at Red Hill and Morning Star Estate, his appointment has added creativity and flair to the cafe and has kick started the catering division.

Specialising in outside catering they cater for private dinner parties to Corporate Marquee Events, allowing Steve to personally design your menu for your special event.

With the 'Silly Season' around the corner be quick to book your event as dates are filling fast.

For any enquiries, email:
