## Quality & Convenience at Chill

Eating tasty and wholesome home cooked meals is one of the best ways to stay healthy, maintain a normal weight and get the most out of life. Yet hectic schedules these days often don't allow us to create nutritious and balanced foods for every meal...

Nikki Turner, owner of Chill in Mt Eliza, is a trained chef and busy mother of two. In 2005 she decided to turn her passion for delicious and wholesome food into a no-nonsense business to assist the growing number of time-pressed working Mums, elderly folk or unwell and those with hectic careers.

And thats how Chill was born!

Their dishes are prepared with the best natural ingredients available, cooked in small batches by skilled chefs, individually blast chilled and

frozen to lock in nutrients and each flavour as it was grown or made to taste.

It's that simple, nothing more. At Chill you will enjoy the variety, quality and convenience of a great gourmet range. Most of their foods can be microwave or oven heated in their containers, either from frozen or thawed.

Chill offer delicious foods, are great for everyday enjoyment and ideal for all sorts of occasions.

Lazy nights in, Dinner and cocktail parties, Birthday and celebrations, Self-catering holidays, when the kids, work or uninvited relations are just too demanding!

phone: 9787 9881

## New Range at Ridge Estate

Ridge Estate are local producers of fine extra virgin olive oil. Each variety is processed separately in small batches using the latest oil extraction technology. Small batches allow the olives to be processed within a few days from picking and they produce extra virgin olive oil in the Tuscan style.

Ridge Estate have also introduced a range of Dukkah in plain, herb & spicy flavours as well as Kalamatta table olives which are finished off in a red wine vinegar brine with a touch of olive oil. The olives come pitted or unpitted and are available in a 300ml jar.

As the olives and Dukkah are new lines, at this stage they can only be bought from Tasting Station Rosebud, Red Hill Cheese, William Rd Red Hill, and also direct from Ridge Estate at the Mornington Racecourse Market and Boneo Market by appointment by phoning 5985 1740.
