So what music feast do we offer? A fabulous local line up including Jimi Hocking, Cousin Leonard, Thomas Vecera, The Distance and Dirty Boogie and The Peninsula Lounge stage featuring five awesome local bands. Roving artists and musicians will provide

color and fun and local art will be a feature with a selection of art groups demonstrating their skills. A children's arcade in Blake Street will provide entertainment and hands on activities.

Another opportunity to make your day special is to hop on board the Mornington Steam Railway Train service in Moorooduc and bring the kids the old fashioned way. A free bus service will run all day bringing travellers to and from the Mornington Station to Main Street.

The Main Street Festival proudly showcases the cultural lifestyle that its proud Peninsula residents enjoy on a daily basis - bringing the elements together - wine, food, music, art, entertainment, shopping and fun.

The Northern Mornington Peninsula Tourism Association has been bringing this the most anticipated Festival to the community for 11 years, held annually on the 3rd Sunday in October. Last year the Festival attracted a crowd of 35,000 visitors.
