

Picture Perfect

Picture your self arriving by boat, sea plane or motor vehicle to The Baths. Wedding ceremony on the beach, local picturesque church or our eastern deck with Port Phillip Bay as back drop - the choices are all yours.

A cocktail or cool drink to start on the eastern deck (the deck can be enclosed with sliding glass if the weather is inclement) waiters roving with cocktail food. Then guests can be seated for entrée, main course and dessert and guests can dance the night away.

The restaurant accommodates from 50 to 150 guests for a sit down wedding or up to 180 guests for a stand up cocktail style wedding. Both of these configurations will leave enough room for a dance floor.

Fantastic photo opportunities are at hand with the historic rotunda approx. 150 metres away and the beach right here. The Baths is on the beach and Coppins Jetty just 5 metres away.

Contact the function coordinator on 5984 1500, or visit www.thebaths.com.au

Annette Sanfilippo is well known for her fabulous millinery - fun flirtious fascinators and hats for all occasions as well as a full range of accessories including corsages, shoes, bags, trinkets and charms.

ABIA Award Winner

PaperCache is a retail paper store which specialises in wedding stationery, having been voted Winner in the wedding stationery category through the ABIA Awards for Excellence for six years.

This prestigious award for Best Wedding Stationary Supplier in Victoria is a continuing tribute to the creative design team and exceptional customer service at PaperCache.

When speaking with Janet, the owner of PaperCache, we found that the process of arranging your wedding stationery is extremely simple. "When we work with our brides and grooms to design their wedding invitation, we play with colour and texture to find just the right mix for that couple. No two invitations are the same, and that's part of the fun."

The staff at PaperCache are helpful and knowledgeable, and most couples found that visiting the store proved how trouble free preparing invitations can be. "We will do as much of the work as our clients need." Says Janet. "Some couples are wanting to do it all themselves, and in this case we will talk about home printing and how to get the best from the papers chosen. Other couples need us to print their work and are happy to save by assembling their invitations." The more you do yourself, the more you save. "We want our clients to be proud to post their invitations, & we do all we can to help."

PaperCache is open 7 days, and you will need around 45 minutes to look around and then spend some time with the PaperCache girls to design the invitation that is perfect for your special day.

PaperCache has recently opened a new store in Bay Street Brighton to complement the company's long standing presence in Main Street Mordialloc.
