

It's Play Time at Centro Karingal!

When it comes to entertaining kids, Centro Karingal's new "Kids Play Area" is the place to be! This innovative approach offers quality in-centre entertainment for young customers and is proving to be extremely popular with both parents and children alike.

The bright and colourful children's play area has a range of play equipment to captivate and stimulate all interests, with a slippery slide, padded climbing obstacles, a wiggly mirror, "noughts and crosses" game and

a great range of interactive gadget panels.

You'll find the new play area, designed especially for children aged 2 - 6 years, outside Starbucks at Centro Karingal shopping centre. The equipment in the new Kids Play Area is extremely sturdy and was manufactured in accordance with Australian Standards requirements, so you can be sure your children are playing in a child friendly, safe environment.

Centro Karingal is located at 330 Cranbourne Road, Frankston 3199. Melways reference 103, C5.
