

## An Experience in Style

Designed to inspire your ideal interior, Keeki gallery display and accessories their furniture collections in a series of room settings so you can visualise how specific items may work better for you. By mixing professional ideas with your own imagination, they can help you arrive at a place that truly feels like home.

All Keeki staff have extensive experience in interior decorating and their buyers have been working with furniture for over 15 years. They offer a large selection of quality and stylish lounge, bedroom, occasional pieces and accessories from Australian designers, European and Asian markets.

Keeki gallery is more than just a store where beautiful pieces of furniture are on display. It is an invitation to experience service quality and style.

Keeki gallery services include interior decorating consultation, gift registry service and a comprehensive delivery service.

Trading hours Monday-Friday 9-5.30pm  
Saturday 9-5pm, Sunday 11-5pm

When designing the interior of your home, Keeki Gallery can assist in turning your vision of the perfect abode into a living dream. You are welcome to bring your plans into Keeki gallery and make yourself at home for advice and inspiration which of course is a free service. If you are interested in a full interior decorating service, one of our professional and skilled consultants can come to you.

It's all about the Keeki experience!

With a guided tour of as many rooms as you'd like decorated in your home, Keeki will be able to give you advice on furniture, accessories and design of layout and colour options.

Keeki also has a gift and bridal registry service. Your guests can choose from a wide range of furniture, accessories and homewares. There is no charge and using the service is simple. The staff at Keeki will work with you to choose the best pieces to compliment your home.
